

**Comfort Empowerment and  
Advocacy Foundation**

**Breaking the Silence, Ending the Violence**

## Mission Statement:

**CEAF is a non-governmental organization dedicated to combating domestic abuse, child marriage, and gender-based violence through public awareness, engagement campaigns, and legal advocacy.**

## Overview:

Founded in 2009 by Paul Akinyemi Thomson, CEAF addresses the pervasive issues of domestic violence, child marriage, and sexual assault, affecting millions of women and men globally. Our team of trained counselors and experienced lawyers provides support, resources, and legal aid to victims, while advocating for policy change and social reform

## Key Statistics:

- **1 in 3** women experience physical or sexual intimate partner violence
- **650 million** women married as children
- **12 million** girls married before age 18 annually

## Objectives:

- Provide support services for victims of domestic abuse and sexual assault
- Conduct public awareness and engagement campaigns to break social barriers and stigma
- Advocate for policy change and legal reform to protect all individuals regardless of gender
- Partner with local authorities and organizations to amplify impact
- Fight to End child Marriage

## **Partnerships:**

- **Domestic Violence and Sexual Violence Response Team (DSVRT), Lagos State government**
- **Sexual Violence Counselling team of Mirabel Centre (SARC), Nigeria**

## **Services:**

- **Counseling services for victims of domestic abuse and sexual assault**
- **Legal aid and prosecution support**
- **Public awareness and engagement campaigns**
- **Advocacy and policy reform initiatives**
